By car: From **Czech Republic** and from **Slovakia** you can go through Brno on the highway till Kromeriz. Then in the direction to Holesov and Bystrice pod Hostynem. Turning to village Rusava is near (before) Bystrice p. Host. in village Hlinsko pod Hostynem – here you turn right from the main road and then go about 5 km through villages Chomyz and Brusne to Rusava where the road quite ends.

From **Uherske Hradiste** (from Slovakia also) it is possible to go to Holesov and Bystrice p. H. through Zlin.

From **Ostrava** and **Frydek-Mistek** the best option is to go to Hranice na Morave, and take turn here towards Valasske Mezirici behind spa Teplice nad Becvou (spa is on the other bank of river Becva) turn to Bystrice p.H. (19 km). From B.p.H. through village Slavkov p.H. and Brusne to Rusava (7 km).

From the direction from **Pardubice** and **Hradec Králove** go through Olomouc to Prerov and from there go in the direction to Bystrice pod Hostynem (cca 20 km). From Bystrice p.H. again through Slavkov p.H. and Brusne to Rusava (7 km).

In **Rusava** turn at the first “Y” crossroad left, past school, local council, church and pub up the hill cca 250 m, behind “s” (stones by the road) is wooden bus stop “U lomu”, right behind the bus stop turn right from the main road up the hill 1 km till you reach driving ban sign. Here turn right upright up the hill (it is the only turn), which takes you right to our place. Car park is next to the refuge (the refuge Oneness centrum used to be called Koryna if you feel like asking local people about direction).

By train or by bus: You can get easily by train or bus to Bystrice pod Hostynem from the direction from **Prague, Brno, Olomouc or Ostrava**. Then you have to go by bus to Rusava - Horansko, bus stop “U lomu” (you can find bus and train timetables at www.idos.cz). Bus to Rusava goes from Kromeriz and from Holesov as well. Pleasant journey !
